

THE MOBILE PERSONALIZATION COMPANY

Why Bridgewater?

Make a Difference

Can you see yourself as part of an organization that is key to the success of mobile data operators? Bridgewater Systems, the mobile personalization company, is a global leader in subscriber data management solutions for mobile service providers. Our team of innovators makes a direct contribution to the success of Tier-1 service providers around the world.

Our people work hard, challenging themselves and each other to continually raise the bar. Our success is based on the contributions of our team. Innovation, creativity, and customer focus—combined with leading edge technology—are the reasons for our success.

At Bridgewater, it truly is all about teamwork. By combining the strengths and capabilities of our team members, we can achieve our corporate goals and corporate vision.

Industry Recognition

Bridgewater Systems is highly regarded as an industry leader, not only in mobile data, but in the technology sector at large. Thanks to the great people we have working for us, Bridgewater was recognized by Deloitte's 2008 Technology Fast 500, a ranking of the 500 fastest growing technology, media, telecommunications and life sciences companies in North America. Bridgewater is also listed in the Canada Technology Fast 50—a ranking of the 50 fastest growing technology firms in Canada.

Winning Team

With over 10 years of success, both as a private and now a public company, Bridgewater has created an environment that fosters innovation and creativity. Some of the brightest and most knowledgeable technology professionals in our industry are long-term employees at Bridgewater. Come be part of our continued success in this fast-paced and challenging environment —and be part of winning team!

Our Ottawa Headquarters

Bridgewater Systems is located in the heart of the high-tech action in Kanata, part of the National Capital Region and just 15 minutes west of downtown Ottawa. The region offers a varied list of things to do and see, from cultural museums and centres of performing arts to parks and kilometres of nature trails. The standard of living is among the highest in Canada—and the world.

About Bridgewater Systems

Bridgewater Systems, the mobile personalization company, enables service providers to efficiently manage and profit from mobile data services, content and commerce. The company's market leading mobile personalization portfolio provides a real-time, unified view of subscribers including entitlements, devices, networks, billing profiles, preferences and context. Anchored by Bridgewater's Subscriber Data Broker™, the portfolio of carrier-grade and standards-based products includes the Bridgewater® Service Controller (AAA), the Bridgewater® Policy Controller (PCRF) and the Bridgewater® Home Subscriber Server (HSS). More than 150 leading service providers including America Movil, Bell Canada, Clearwire, Cox, Hutchison Telecom, Iusacell, Scartel, SmarTone-Vodafone, Sprint, Tata Teleservices, Tatung, Telmex, Telstra, and Verizon Wireless use Bridgewater's solutions to rapidly deliver innovative mobile services to over 150 million subscribers.
